### **MEN CRY 2018-Now**

I shoot, edit, and publish an unscripted interview series about men and their struggles with emotional vulnerability on youtube. I also host a live interview series on Instagram every Monday @allmencry.

### **Free Lance 2014-Now**

I have been working independently as a photographer, videographer, graphic designer, editor, MC, and social media strategist/content creator since high school.

### **The Havana Film Festival New York 2016-Now**

I have been the head of photo/video documentation and social media content as well as a projectionist for this large scale Latinx Film Festival. I am also the current MC for the opening night ceremony

### **The HBO New York Latino Film Festival 2017-Now**

I have been a venue manager, projectionist, and tech manager. I have also been a production assistant for their series of Vaccine PSA's geared towards the Latinx community.

### **Phipps Neighborhoods 2017-2021**

I was a Communications & Development associate at this Bronx nonprofit. I assisted with graphic design, social media, communications, & content creation. I assisted with fundraising, event production, and data entry.

### **Dominican Film Festival of New York 2016-2018**

I have been the head of documentation, head of social media, a projectionist, and a venue manager.

### **The Americas Film Festival 2016-2019**

I have been a venue manager, projectionist, tech specialist, and MC for the film festival.

### **The Patriot Act with Hasan Minhaj 2018-2019**

I was a production assistant on this Netflix show.

### **Urban Outfitters 2016-2018**

I was a sales associate at a high traffic 5th avenue flagship store. I recieved awards and recognition for my warmth, good vibes, and enthusiasm.

### **The Knockturnal 2016-2017**

I was the video production intern. I was responsible for shooting and editing high profile celebrity interviews and red carpet events for the online entertainment magazine.

### **Oxosi Summer 2017**

I was the creative intern for this high fashion African online marketplace. I assisted with photoshoots, videoshoots, editing, and day-to-day tasks
